# Common Feedback

---

- ▶ Grab more audiences: not only executives but also people's representatives (legislatives)
- ▶ Lack of time, more local case studies
- ▶ More frequent
- ▶ Communication channel (mailing lists, discussion forum, etc.)
- ▶ Special topics/needs:
  - ▶ IT Governance
  - ▶ IT Plan
  - ▶ Ethical Hacking/Security
  - ▶ On site training (directly to municipal/city level)

# Impact - 2009

---

- ▶ One participant said that he has made arrangement with one of the telecommunication company to provide hot spot area in his region.
- ▶ Another participant said that she has started developing the IT Plan for ICT development in her area.
- ▶ One province has made collaboration with municipalities in its region for migrating to Open Source.
- ▶ Sharing knowledge through mailing lists.
- ▶ 31 May 2009, National e-Gov Forum was established
- ▶ 20-21 Oct 2009, Draft on e-Gov Regulations

## National e-Gov Forum

# Impact - 2010

---

- ▶ **1st Annual National e-Gov Forum,**
  - ▶ 25 -26 October 2010
  - ▶ Our alumni are focal points during the meeting.
- ▶ **Development of Special Needs Training Materials**
  - ▶ IT Planning, IT Governance, GCIO
- ▶ **Blending the contents of the Academy with the GCIO training materials**

UNITED NATIONS  
**ESCAP**  
Economic and Social Commission for Asia and the Pacific

**APCICT**<sup>®</sup>
